

DEPOSIT SAFE

CONVENIENCE AND SECURITY

The DS1 Deposit Safe is ideal for storing your daily cash takings. Staff can conveniently deposit cash without opening the main Safe.

This Safe comes standard with an Anti Pilfer front hatch for quick under counter deposits and is ideally designed to be located at your Point of Sale register or cash deposit point.

This compact unit can be securely fastened to a concrete floor (recommended) or wooden floor. Alternatively, the Safe can be mounted to a pedestal for convenient access.

The DS1 comes standard with a UL Type 1 Listed S&G® Spartan™ D•Drive™ Electronic Lock, or a Time Delay Lock can be fitted for further protection.

Staff can easily deposit cash into the Safe and a Manager can hold the code to the Electronic Lock for end of day balancing.

**DS1 DEPOSIT SAFE
 WITH 600mm PEDESTAL**

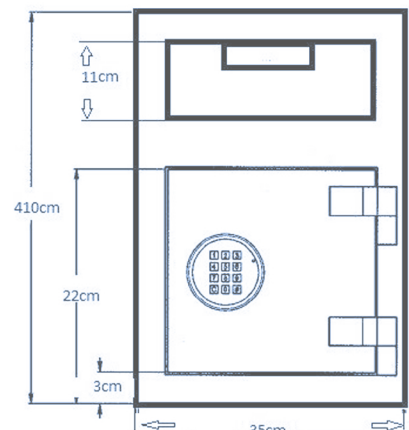

WARRANTY

5 year warranty on safe and 2 year warranty on the S&G® Spartan™ D•Drive™ Electronic lock.
