

HIGH SECURITY LOCKS

VSR DIMPLE 4000

The patented IC Core Lock is manufactured with either the Quick Change feature, allowing rapid re-keying, or with a singular code, providing a higher level of security.

Construction cores for the lock are available for factory installation. It has a strong, reversible key and a restricted keyway.

Also available in a medium security 8-Pin. The lock and key are manufactured and serviced by VSR Industries. On-site installation available worldwide.
